Finding Families for Children the World has Forgotten

- Over 33 million are growing up worldwide without a mom or a dad – and over 100 million more have already lost one parent and are at great risk to losing the other one.
- Most countries warehouse these children in orphanages and foster care.
- Kidsave's mission is to create change in communities around the world so that every child has a permanent family.
- Kidsave was co-founded by Randi Thompson and Terry Baugh, former Porter Novelli employees. Bill Novelli's mentoring inspired their work. Bill was a founding member of Kidsave's Board of Directors.
- Kidsave operates in Washington, DC, Los Angeles, the New York Metro Area, Atlanta, Austin, Northern California, Bogotá, Colombia and Moscow, St. Petersburg and Yuzhno Sakhalinsk, Russia.
- 2,700 children have found parents and lasting connections to caring adults through Kidsave programs and advocacy efforts.
